President Seeks To Prevent Halt Of Coal Strike Parley

President Will Seek To Salvage Soft Coal Parley

To Confer With Lewis And O'Neill In Effort To Save Negotiations

DRASTIC STEPS MAY BE TAKEN (BULLETIN)

WASHINGTON, May 16.—(INS)—President Truman proposed today that John L. Lewis and the soft coal operators submit their contract dispute to arbitration to prevent another crippling mine shutdown.

The president called reporters to his office to announce that he had submitted the proposal to Lewis and Charles O'Neill, operators spokesman, and asked for their decision by 5:30 p. m. today.

WASHINGTON, May 16.—(INS)—President Truman was to make a final effort today to salvage the "collapsed" soft coal contract negotiations before resorting to drastic government action to prevent a new mine shutdown.

The president was scheduled to confer again with John L. Lewis and Charles O'Neill, chief spokesmen for the mine owners, to determine whether it would be worthwhile to reopen the collective bargaining conferences between the parties.

Negotiations Broken Off

Negotiations were broken off for a second time when the operators rejected Wednesday Lewis' demand for a seven per cent levy on the industry's billion-dollar annual payroll to finance a welfare fund for his 400,000 miners.

A 40-minute conference between the president and the two principals late yesterday failed to make any progress toward settlement of the dispute which threatens to erupt into another work stoppage when the current two-week strike truce expires May 25.

Secretary of Labor Lewis B. Schwellenbach, who participated in the White House parley, said the government's next step would be determined if today's meeting decides not to resume negotiations. He admitted the latter have been "fruitless" up to now.

Will Seek To Halt Shutdown

The labor secretary said no definite government proposal has been presented to the disputants and that "there is no specific thing under consideration which might be submitted."

Reconversion Director John W. Snyder has said, however, that "every possible action within the (Continued on Page Two)

PA NEW OBSERVES

One street that has been oiled to keep the dust down for the summer is noted by Pa. News.

Pa. News noticed the first invasion of June bugs in the downtown area Wednesday evening. The sudden influx of warm summer weather brought the bugs out of hibernation.

Summer weather dropped in on the city on Wednesday rather suddenly. Last night was the first real summer weather night of the season.

Crickets have made an early appearance around the city. Pa. News is told that they were heard chirping in several localities on Wednesday.

Reporters in the editorial rooms of The News were rather surprised (Continued on Page Two)

Final Tribute To Fred L. Rentz

Funeral Services Conducted On Wednesday Afternoon Most Impressive

BURIAL OCCURS AT OAK PARK

All that was mortal of the late Fred L. Rentz, president of The News, was laid to rest Wednesday afternoon, May 15, in Oak Park cemetery. Funeral services preceding the interment were held from the Boyd funeral home on North Jefferson street.

The funeral service was at 3:30. Rev. Burr R. McKnight, pastor of the First Methodist church, read the scripture and delivered a eulogy of Mr. Rentz. Rev. Thomas J. Jones, pastor of First Congregational church, made the prayer, and Rev. G. S. Bennett, pastor of First Christian church, delivered a eulogy. Mrs. Katherine Nestle Allen was the organist for the service.

Graveside Service

At the graveside, the funeral service of the Masonic fraternity was conducted by Lodge of the Craft, No. 433, Free and Accepted Masons, with James P. Toller, 33°, in charge. (Continued on Page Two)

Farmers Asked To Deliver Wheat

Call On Farmers With Surplus Grain To Make Deliveries Here Friday And Saturday

EXPECT CARLOAD WILL BE SECURED

Lawrence County farmers, who are taking part in the sale of wheat to the Commodity Credit corporation, to help the starving peoples of Europe and China, made despatch by the war have been asked to make delivery of their surplus wheat to the delivery point, at J. S. Riley's, 910 Moravia street, on Friday and Saturday.

Delivery will be taken all day on Friday and until noon on Saturday. Farmers who are unable to make delivery at this time, are asked to notify the Lawrence County Agricultural Conservation office, 202 Court House Annex, Phone 3009, and an effort will be made to arrange a date next week.

Expect Carload

It is expected that a carload of wheat will be contributed by the farmers of Lawrence county, who will receive a bonus of 30 cents per bushel above the market price. Dorris L. Fulkman, chairman of the Conservation committee states:

Mr. Fulkman urges the farmers of the county to be generous in the contribution to this cause, because the need is most urgent. Every day, thousands of people are dying of starvation, and the food which will be contributed in this effort, will have off death for many.

SECRECY VEILS DOCUMENTS IN SPYING PROBE

OTTAWA, May 16.—(INS)—Secrecy today surrounded photographic copies of three documents entered in evidence in the Soviet espionage probe, together with a request from the U. S. government that their contents not be divulged.

The documents, which will be read in private to the jury trying Edward Mazerall, Canadian government employee, were identified yesterday by Ivor Gouzenko. The originals reportedly are now in Washington.

Gouzenko, former cipher clerk at the Soviet Embassy in Ottawa, said the papers were among those he took from an embassy safe.

Return Of Byrnes With Parley Report Is Being Awaited

WASHINGTON, May 16.—(INS)—The nation's capital today awaited the return of Secretary of State Byrnes for an official report on the Big Four foreign ministers conference in Paris which decided to "recess" until June 15.

Diplomatic observers believed that results of the meeting and other international developments within the next few days may determine the ability of the major world powers to maintain a lasting peace.

The major allied powers accepted Byrnes' proposal that the Big Four meet again one month hence to agree as far as possible on peace treaties for Italy, Finland, Hungary, Romania and Bulgaria but the secretary lost out on two other significant suggestions.

No Definite Date For Treaty Session

Unsuccessful were Byrnes' efforts to have the foreign ministers set a definite date for the European peace conference, a step which he particularly favored and to have the Austrian treaty included on the conference agenda.

Some quarters in Washington held the belief that failure to throw the whole question of the five peace treaties—Italy, Finland, Hungary, (Continued on Page Two)

Assistant Coach For Basketball Named By Board

Plans Being Made For Electric Scoreboard At Taggart Stadium—Board Matters

Clark E. McClelland of 409 Vine street was elected assistant basketball coach for the senior high school Wednesday night when the school board held its monthly business meeting. Mr. McClelland will assist Head Basketball Coach William Douglas. He has a background of training and experience in athletics and has recently returned from 44 months in the armed service.

Other teachers elected Wednesday night were Elizabeth Kanagy of Volant, for elementary work; Helen McCurley of R. D. 2, Enon Valley, elementary; Jane A. Dickson, New Castle, dental hygienist; Belle M. Kilde, elementary, and Marian Olive Hydebrand, assigned to Franklin junior high.

Permanent Contracts

Permanent contracts were given to Ruth Garrity, Martin Leonhardt and Evelyn Reno, who were elected on a temporary basis for the past several years. Two teachers who were elected a month ago, Betty Jane Osborne and Dorothy Mae Book, have declined the election.

Principal Clare M. Book of the senior high school was present at the board meeting and outlined a policy for the conduct of athletics in the senior high. In brief, the policy defines the authorities of the various persons charged with the conduct of athletics and places athletics in the senior high school now on a basis wherein everything done will have the authority of the school board.

Will Expand U. S. Probe Of Communism

WASHINGTON, May 16.—(INS)—The house un-American activities committee was slated today to get a go-ahead for an expanded probe of communism in the United States.

Leading members of the group anticipated smooth sailing for a request of \$75,000 to enlarge the investigative staff and keep the committee in operation until Jan. 1, 1947.

The \$75,000 was approved by the house committee on accounts and was expected to be presented to the full body for final approval today.

Rep. Rankin (D) Miss., ranking majority member of the group, said he expected the house to vote overwhelmingly in favor of the fund request. His optimism, he said, was based on the thought that:

"After all, the American people are still American."

Rankin would not discuss possible uses that might be made of the increased appropriation and enlarged staff.

Rep. Mundt (R) N. D., said he expected the "usual 75 votes against the committee," indicating he had no fear the opposition could succeed in blocking the appropriation.

As the successor to the widely-known Dies committee, the present un-American activities committee was made a standing committee of the house in March, 1945.

Tension Grows On Anti-Strike Congress Moves

WASHINGTON, May 16.—(INS)—The congressional battle over anti-strike legislation reached a new high pitch today with a bi-Partisan senate move to oust federal employees belonging to unions which assert the right to strike against the government.

Sen. Wherry (R) Neb., announced that he would seek to have the federal restriction—written into the agriculture bill by the senate appropriations committee—tacked on to every appropriation bill still pending.

Predict Floor Battle

Leaders on both sides predicted a floor fight when the \$98-million dollar farm bill is called up for senate action.

The appropriations proviso denies the use of any part of the agricultural (Continued on Page Two)

Conspiracy To Murder Woman Is Laid To Pair

WILMINGTON, Del., May 16.—(INS)—Delaware state police today charged Ethel Moore, 51, Glasgow, Va., fortune teller, and James E. Clifton, 40-year-old Townsend steelworker, with conspiracy to murder his wife, Ella.

The designated victim of the alleged plot, however, foiled the plans, according to state police, when she intercepted a letter and a bottle of arsenic which had reportedly been mailed to her husband by the Moore woman.

Admits Writing Letter

Police said Mrs. Moore admitted writing the letter which contained instructions on how to administer the poison in food. They added that the letter explained that in a few days, Clifton would have no worries "as it would put her out of the way."

Following an FBI analysis of the poison, which was found to be arsenic, police raided the home of Mrs. Moore, and said they uncovered a further supply of the poison and letters from Clifton, which reportedly sought aid in disposing of his wife.

Police said that on her arrest, Mrs. Moore confessed sending the package to Clifton at his request for \$50. When they arrested Clifton, they added they found a letter on his person from Mrs. Moore, referring to the lethal package.

Hollywood Slapping Bout Between Beauty And Tennis Player Has Society Excited

HOLLYWOOD, May 16.—(INS)—John Howard, the tennis player, and Miss Sterling slapped him and so he slapped back.

Miss Sterling also gave her version and in substance she said Howard slapped her, so she slapped back.

She said the little set-to had its inception when she drank milk instead of champagne at a champagne party she was giving as a send off for Diana Barrymore, who is about to depart for Nevada to divorce Bramwell Fletcher.

Howard, who was Miss Barrymore's escort, resented the milk, according to Miss Sterling. She said he seemed to regard it as a breach of (Continued on Page Two)

Draft Measure Will Slow Down Demobilization

Some Men In Army May Be Required To Serve Longer Time

TRUMAN TO GIVE HIS VIEWS TODAY

WASHINGTON, May 16.—(INS)—An army spokesman asserted today that soldiers with 18 months service who otherwise would be eligible for discharge beginning October 1 may have to remain in service for a full two years as a result of the crippled draft act.

Such a slowdown in demobilization plans which would affect an estimated 220,000 men was studied as President Truman prepared to issue a briefing statement denouncing the weakened draft law and calling on Congress to enact stronger legislation.

Truman To Give Views

The President, who reluctantly signed the draft extension bill banning induction of teen-agers and fathers, will give his views to a news conference scheduled for 4 p. m. EST.

There was speculation that the War Department might recommend elimination of the present ban on (Continued on Page Two)

Yoshida Will Form Cabinet

Commanded By Emperor To Start Formation Of New Cabinet

By FRANK ROBERTSON
U. S. Staff Correspondent

TOKYO, May 16.—Emperor Hirohito summoned Shigeru Yoshida to the Imperial Palace today and commanded the veteran statesman to work a new Japanese cabinet.

Yoshida's choice for the post of premier ended a political stalemate brought about by resignation of the Shidehara cabinet almost a month ago.

Outgoing Premier Baron Kijuro Shidehara recommended Yoshida to Hirohito this afternoon.

Yoshida was cleared first through Allied headquarters thus opening the way for formation of a new cabinet to replace the Shidehara government, which resigned 24 days ago.

Yoshida, who has held the foreign minister's portfolio in Japan's two post-surrender cabinets, moved into the forefront of Japanese politics yesterday by accepting presidency of the Liberal party, the numerically superior group in the new diet.

A Liberal party spokesman said Yoshida would form a conservative cabinet made up of representatives of the rightwing Liberal and Progressive parties.

Wheat Stocks In Belgium Are Low

OTTAWA, May 16.—(INS)—Belgian Supply Minister M. P. Krogher reported today that wheat stocks in Belgium represent less than a week's supply.

He said that if promised shipments of grain are delayed even slightly the country will be without bread. He added Belgium's ration already is 381 calories below the minimum daily amount necessary to avoid disease and starvation.

Begin Whirlwind Drive For G.N.C.A. Membership

Getting off to an early start—and an enthusiastic one—the membership of the Greater New Castle Association opened their campaign at 8 o'clock this morning with a breakfast in The Castleton hotel. Following the breakfast the membership campaign was outlined, the prospect cards distributed and the drive was on.

The plan of the campaign is to get the work done in two days. If possible, the heads of the campaign would like to wind it up Friday night. The first report meeting will be held this evening in the hotel when it is expected the teams will show a substantial number of memberships added.

Matheny Opens Campaign

Attorney Marshall G. Matheny, general chairman of the campaign, led off this morning at 8:30 with an outline of the campaign plans. Ivor V. Davis is the campaign director with John R. Hodge and George F. Winters, Jr., as divisional captains.

In each division there are eight teams and each team includes a captain and five workers. This (Continued on Page Two)

Halt Inductions Of Youths Under 20 Years Of Age

Notice was received today by the four Selective Service Boards in Lawrence County, that all youths under 20 years of age, who had been called up for induction into the armed forces next week have received a stay of induction, as the result of the action taken by the Senate earlier in the week changing the Selective Service Act.

Those who had been notified to report for induction next week are being sent letters that they will not report for induction at this time.

Order Received

The notification reads:

Pursuant to the provisions of recent amendments to the Selective Training and Service Act of 1940, as amended, local boards will not take any of the following actions with respect to any registrant who has not yet reached his 20th birthday:

(a) Order any such registrant to report for pre-induction physical examination.

(b) Forward any such registrant for Pre-induction physical examination.

(c) Order any such registrant to report for induction.

(d) Forward any such registrant for induction.

(e) Forward any such registrant to work of national importance under Civilian direction.

The liability of persons eighteen and nineteen years of age to register remains the same, however, and they must register immediately on attainment of their 18th birthday.

Banquet Honor Guest Drops Dead While Speaking

Tragic Development At Topeka, Kan., Event Designed To Honor Fire Fighters Dead

TOPEKA, Kan., May 16.—(INS)—Diners at a banquet honoring Fred W. Baer, president of the International Association of Fire Fighters, thought he was acting out a humorous gag when he suddenly fell over backward while telling a story.

A ripple of laughter swept the audience in Topeka last night.

But a companion sitting next to Baer's place at the speakers' table sensed something was wrong.

The inhaler squad of the Topeka fire department was summoned and, with three physicians, attempted to revive the fire fighters' veteran leader.

But Baer was dead of a heart attack.

He had served as president of the firemen's association for 27 years. Baer lived in Washington, D. C.

Five Hundred Attend G.N.C.A. Dinner Event

James E. Gheen Makes Address On City Planning—W. D. Cobau Presides

About 500 citizens of New Castle had the experience Wednesday night in the Cathedral dining room of seeing and hearing how a serious message can be put over in a gale of laughs. James E. Gheen, of New York City, a speaker of national repute, spoke at the dinner-meeting of the Greater New Castle Association, and after wiping the tears of laughter from their eyes the men and women in the audience found Mr. Gheen had put over some truths that it is hoped will result in some hard work here later.

Humor seems to come natural to Mr. Gheen. There was no artificial respiration needed for his stories and no draftsman needed to bring print his ideas. His philosophy is an old one and can be summed up in one word, "Work." But he gave the crowd reasons why there was work needed and if the idea of work isn't too appealing in itself, it became a glamorous thing under the magic of Gheen's humor.

Faith In Future

"You must have faith and hope in the future," said Mr. Gheen. "What is gone is gone and worrying about it will get you no where. It's the future that counts and there's plenty to be done if you are going to make New Castle the city it should be."

"See to it that everything that needs to be done is done. Somebody has to bother about the community (Continued on Page Two)

Cuban Sugar Crop To Be Sold To U.S.

HAVANA, May 16.—(INS)—Havana's Cuban sugar planters and mill-owners agreed today to sell the 1946 and 1947 sugar crop to the United States at a basic price of 3.675 cents per pound.

They will ask that the United States, in return, guarantee price stability. A sales mission will leave soon for Washington to work out details.

Chartered Plane Crashes 12 Miles From Richmond

Twenty-Five And Two Crew Members Reported Dead In Plane Disaster

VICTIMS ARE NOT YET IDENTIFIED (BULLETIN)

RICHMOND, Va., May 16.—(INS)—Twenty-seven persons were killed early today when a Viking air transport plane crashed into a pine-fringed creek bed and burned 12 miles south of Richmond.

The twin-engine plane, which took off late yesterday from Newark, N. J., bound for Miami, developed engine trouble shortly after it left the Richmond airport at 12:07 a. m. EST.

Civil Aeronautics administration officials said that 48 miles south of Richmond, the pilot advised the airport control tower that he had "a rough engine" and was returning to the field.

After circling the field, the pilot attempted a landing but it is believed a low hanging fog prevented him from bringing the plane down. Radio contact with the liner was lost at 1:12 a. m.

Smashes Into Creek Bed

A short time later, the ill-fated plane ploughed through wet pine trees and smashed into the rain-swollen creek bed.

No list of passengers was immediately available.

Big Four Parley In Recess Until June 15 Meeting

PARIS, May 16.—(INS)—U. S. Secretary of State Byrnes was described by authoritative sources today as determined to reach an understanding with Russia at the June 15 Big Four foreign ministers meeting, or concede that two opposing worlds—one east, one west—do exist.

Byrnes was said to be reluctant to admit such a division, and willing to try again to meet the Soviet demand that draft treaties for Axis satellites be agreed upon before setting a date for a general peace conference.

Molotov May Reconcil

Sources close to the American statesman said his only other alternative was to group with France and Britain, summon the 21-nation convulse, and lock horns once again with V. M. Molotov, Soviet representative at the meetings now winding-up.

The same quarters said Molotov would then very likely backout the talks, along with Poland, Yugoslavia and perhaps other nations.

Byrnes' willingness to work again for draft treaties was said to stem from a determination to see that smaller nations, who gave so much toward Allied victory in the war, get a hearing at a general conference.

The ministers revised armistice terms for Italy today before "recessing" until June 15.

Oh, the rain may drip on milady's hose and ruin the curl in her hair, and the rain may stipple her finger-nails and the rouge on her cheeks so fair. But the rain will help where it means a lot, for the wells were about to go dry, and you noticed the fields were beginning to brown per chance you were passing by. So let it rain for a couple of days, let the moisture fall full and free, we need the rain for the farms to grow—the weather is seventy-three.

CARLSON-ALEXANDER

WEDDING WEDNESDAY

At a quiet but impressive ceremony performed in the parlors of the First Presbyterian church Wednesday afternoon, Miss Margaret Jane Carlson, daughter of Mr. and Mrs. Ivar Carlson, of 335 Laurel boulevard, became the bride of William James Alexander, son of Mr. and Mrs. David Alexander, of 133 East Garfield avenue.

Dr. J. J. McIlvaine officiated at the double ring service in the presence of the immediate families.

The bride wore a dressmaker suit of moss green with a Panama straw hat and matching cream white accessories. Her corsage was of yellow rose buds and lilies of the valley.

Following the ceremony the bride and groom and their families motored to New Wilmington where a wedding dinner was served at an inn.

After a few days' motor trip west, the young couple will be at home in their new apartment at 408 East Garfield avenue.

The bride is a graduate of New Castle high school and the Jameson Memorial Hospital School of Nursing. For the past two years she has been a member of the Jameson hospital nursing staff.

The groom, also a graduate of New Castle high school, was recently discharged after three years' army service including two years in the Pacific theater.

Westminster Auxiliary of the First Presbyterian church heard Mrs. R. M. Patterson give the reading "The Mansion" by Van Dyke at the group's meeting on Tuesday evening.

Mrs. Patterson was accompanied on the piano by Mary Elizabeth Jenkins.

The auxiliary is planning a picnic in June with the social committee in charge of arrangements. Hostesses for this month's meeting were Mrs. William Blew and Eleanor Magill.

P. A. Club Tonight
P. A. club will meet this evening at the home of Mrs. Orpha McConnell, Court street, with Mrs. Howard Hunter as hostess.

Prison Term For Soldier Who Shot Another Soldier

TOKYO, May 16.—(INS)—Pvt. John S. Marchak, 26, of Baltimore, Md., was sentenced to life imprisonment today for the slaying of another soldier, Pvt. John E. Conner of Republic, Pa. Marchak pleaded guilty of murder but guilty of manslaughter in his trial before a general court-martial.

Witnesses said that Marchak after a drinking bout, organized an impromptu search for Japanese prowlers around his barracks. Conner, a sentry, was shot and killed when he and other guards surrounded the building to investigate the source of pistol shots.

Marchak admitted firing the shot which killed Conner but said he thought the American was a Japanese prowler.

The court-martial sentence will be reviewed by the commanding general of the U. S. fifth air force.

Need Many Doctors And Nurses For State Services

HARRISBURG, May 16.—(INS)—The state health department reported today that "at least" 15 doctors and 100 nurses were needed to permit peak operation of the commonwealth's three tuberculosis sanatoria.

Secretary of Health Harry W. West explained that there were more than 1300 idle beds at the establishments near Mt. Alto, Cresson and Hamburg.

West said while the institutions had a total capacity of 3326 beds, there were approximately 220 TB sufferers awaiting expansion of curtailed operations.

Parents Register Children For First Grade School Year

Parents of children who will be six years old before February 1, 1947 have been registering the children at the grade schools of the city Wednesday and today.

This preliminary registration enables the teachers to meet the children before the opening of the fall term, and also gives the teachers a chance to explain to parents what pre-school training will make the children's adjustment to school life easier.

us into the feeling that it will be someone else's burden."

Noting the effect of government through executive agencies in multiplying the expenditure of public funds, Mr. Warren reminds us that Congress must have some definite, positive indication from the people that they do want economy in government and that they will back up the members who have the fortitude to support the common benefit of all instead of the special benefit of the few.

If we are to escape financial disaster, we will have to give some heed to these warnings from the chief auditor of our national income and outgo and to adopt in public financing the homely but true recipe of Mr. Micawber.

Britain May Need Aid In Occupation Zone Food Supply

LONDON, May 16.—(INS)—Semi-official sources revealed today Britain may soon be forced to seek U. S. and Russian aid in feeding Germans in the British occupation zone.

Bread supplies in the British area of the Reich were said to be near exhaustion. The same sources said Britain is sending 70,000 tons of barley and 80,000 tons of potatoes to Germany to stave off an immediate crisis.

British officials were said to feel that Russia must cooperate in feeding Europe if "dire circumstances" are not to result.

Bomb Is Thrown In Demonstration At Naples, Italy

NAPLES, May 16.—(INS)—Italy's plebiscite campaign, to determine the future of the king, claimed at least one life today when a bomb was thrown among monarchist demonstrators.

Thirty-five persons were injured, four critically. Italian police said they believed the explosive came from communist headquarters at Piazza San Lorenzo, after monarchists taunted the reds with catcalls and boos. A young communist was held in connection with the incidents.

MR.-MRS. H. A. DAVIS MARRIED 50 YEARS

Mr. and Mrs. H. A. Davis, of Ellwood City, R. D. 1, will celebrate their golden wedding anniversary on Sunday, May 19, at their farm home with open house for friends and neighbors between 2 and 4 o'clock in the afternoon and 7 and 10 in the evening.

Dinner for the family will be served at noon.

Mr. and Mrs. Davis were married in 1896 in Ebersburg by the late Rev. Roberts of Ebersburg. They resided in Indiana county for 10 years and in Lawrence county for the past 40 years.

They are the parents of the following children, Mrs. C. W. Hovis, of Oklahoma City, Okla., C. A. Davis, of Plainville, Mrs. Verda Miller, Norton Davis, and Mrs. Richard Crowell, all of New Castle, Pa.

Howard Reno, of Ellwood City, R. D. 1, John N. Davis, of Slippery Rock, Walter C. Davis, of Leetsdale, and Elva Wise, at home.

They have 23 grandchildren and eight great-grandchildren, all of whom are living except one grandson, Everett Davis, killed in Germany, November 1944.

WEDDING PLANS TOLD AT EVENING SHOWER

At the Castleton Wednesday evening, Miss Kathryn Coyne and Miss Clare Gilboy entertained jointly for Miss Carlisle Cope, bride-elect.

The event proved to be an announcement of Miss Cope's wedding plans. Guests found at their places novel match book folders lettered "Floyd and Carlisle, May 29, 1946". Cards were in play during the evening with prizes going to Mrs. Ernest Anderson, Mrs. Fred Clark and Miss Betty Jane Cope.

A shower of beautiful miscellaneous gifts was presented to the guest of honor.

Miss Cope will be married to Floyd J. Connors at an open church ceremony in the First Congregational church, May 29, at 7:45 p. m. with the Rev. Thomas J. Jones officiating.

The bride-elect is a daughter of Mr. and Mrs. Stuart M. Cope, 829 Lathrop street.

ADVISORS GROUP FETES BRIDE ELECT

Past Worthy Advisors of the Order of the Rainbow Girls were entertained at the home of Miss Juanita Lewis, Norwood avenue, Tuesday evening.

During the social time that followed a short business session, members presented Miss Carlisle Cope, bride-elect, with a shower of lovely personal gifts.

In serving a lunch, the hostess was aided by Miss Rosetta Trehan.

During the enjoyable social evening, the guest of honor was presented with an array of lovely gifts of a miscellaneous nature.

Later the hostesses served buffet refreshments.

Miss Weir will become the bride of Carl Elder on May 22.

DeVIVO-ZUMPELLA CHURCH WEDDING

At St. Lucy's church, Miss Barbara DeVivo, daughter of Mr. and Mrs. Thomas DeVivo of 310 Montgomery avenue, became the bride of Ernest Zumpella, son of Mr. and Mrs. James Zumpella, of 105 South Cedar street, Saturday morning, May 11, at 9:30. The church was beautifully decorated with palms, ferns and calla lilies. A large audience witnessed the ceremony.

Rev. Fr. Sebastian Ippolito officiated, using the double ring ceremony. The bride was given away by her father.

The bride was attired in a nylon satin train-length gown. Her finger tip veil was caught in a beaded crown, and she carried a colonial bouquet of white roses and sweet peas, centered with an orchid. As her only jewelry she wore a gold cross, a gift of the groom's mother, Miss Edith Lombardo, maid of honor, wore a powder blue taffeta gown with pink accessories and carried a colonial bouquet of pink and white roses. Louis Domenick was best man.

Bridesmaids were Rose DeVivo, Mary Colella, Evelyn DeVivo, Charlotte Zumpella, Connie Zumpella. Their gowns were of pink and white brocaded satin with net skirts, blue accessories and they carried bouquets of mixed flowers. Ushers were Louis (Hafy) Domenick, Mitty Ruozzo, Tony Razzano, Bert Paccelli, Nick Malorano.

Following the ceremony, a wedding breakfast was served in the home of the groom's parents, and later a wedding dinner in a suburban tearoom was served to 150 guests in the evening at 7:30. A large number of guests attended the couple's reception in Columbus hall.

The bride is a graduate of New Castle high school, class of 1938, and the groom, a discharged veteran, is employed at the P. & L. E. Railroad shops, Youngstown.

The newlyweds left for a wedding trip to Cleveland, Buffalo, and Detroit, and upon their return will reside on Montgomery avenue.

CARLENE GODWIN SHOWER HONOREE

Mrs. Anna Belle White and Miss Betty Jean White, of Leisure avenue, entertained a group of friends at a delightful shower in their home Tuesday evening in honor of Miss Carlene Godwin, bride-elect of this week.

Various games and contests were enjoyed, with prizes going to Miss Eleanor Rozak, Miss Eileen Murphy and Miss Mary Ruth Turner. Miss Virginia Eakin received the door prize. Music and dancing were added diversions of the evening.

Later Miss Godwin was presented with a large white basket, filled with an attractive array of linen to be used in her new home.

The hostesses served dainty refreshments by candlelight at tables tastefully decorated with dogwood.

Miss Godwin, daughter of Mr. and Mrs. L. C. Godwin, of Highland Heights, will become the bride of Chester P. Moore, son of Mr. and Mrs. John P. Moore, of Egan Valley, at an open church ceremony to be performed Saturday evening, May 18, at 6:45 o'clock in the Mahoning Methodist church.

BESHERO HADGKISS WEDDING IN CHURCH

Miss Elizabeth Beshero, daughter of Mr. and Mrs. Charles Beshero, of 1024 South Jefferson street, and Joseph Hadgkiss, of Brooklyn, New York, were united in holy matrimony at St. John's Maronite Catholic church on May 12 at 10 o'clock mass.

In the presence of a large assembly of guests, Rev. Fr. Elias G. Nader officiated in a double ring ceremony before the altar embanked with palms, ferns and roses.

Given in marriage by her father, the bride was lovely in a princess style gown with laced gores with a sweetheart neckline made entrain. Her veil of three tiers was caught with a crown of orange blossoms and trimmed with lace. Her bouquet was made up of calla-lilies. As her only piece of jewelry, the bride wore on her neck a lavalier brought from India as a gift from the bridegroom.

Miss Sophia Moses as her maid of honor, wore a pink gown of lace and net, and wore a pink colonial sweetheart bonnet. Her bouquet was made up of yellow tea roses with pink streamers.

Bridesmaids, Mary Ann Joseph, Rose Beshero, the bride's sister, and Rosella Avob, of Allquippa, Pa., wore blue gowns and carried pink roses.

Robert DeNyse, brother of the groom, served as best man. Ushers were Cecil P. Bashara, James A. Moses and John Rohan, of Youngstown, O.

During the nuptial mass, Mrs. Sam Beshero was at the organ and a girl's choir sang the mass chorals. In the afternoon a dinner was served for 600 guests at the Parish Hall. Out-of-town guests attending. Later in the evening, a reception was held at the same hall.

Mrs. Hadgkiss was employed as bookkeeper at the A & M Super market. Mr. Hadgkiss is a recent discharged serviceman serving as sergeant in the Medical Corps in the C. B. I. Theater of War for three years.

The bridal couple left Sunday night for their honeymoon to New York City and other points of interest on the Eastern seaboard. Upon their return, they will reside with the bride's parents for the present.

ST. MARY'S LADIES MOTHERS PROGRAM

Ladies of St. Mary's church enjoyed a dinner and Mother's Day program, Tuesday evening, the event being held in St. Mary's auditorium with approximately 100 in attendance.

Special guests were Rev. Fr. Francis M. McCarthy, Rev. Fr. Francis King, and Rev. Fr. Ignatius Koller.

Dinner was served on nicely arranged tables at 6:30 o'clock, fresh flowers centering the table. Rev. Fr. Francis King gave the grace, and Father Koller the benediction.

Mrs. Mary Maher, president, presided and extended welcome to all. Rosemary Schooley then gave the toast to mothers and Mrs. Anna B. Hagan the toast to daughters. Group singing was enjoyed, led by Mrs. Anna Hagan with Mrs. Mary Maher at the piano.

Rev. Fr. Francis McCarthy addressed the group, speaking on "Mother", our early mothers and spiritual mothers.

A pantomime, "Mother Day Drama", was given as the second portion of the program, written and directed by Mrs. Jessie Stenger.

Those taking part were: Mrs. Eva Sherry, Kathleen Hart, Maryann Dagnon, Sandra Junkin, Joanne McCarthy, Mrs. Marguerite McCarthy, Mrs. Opal Hart, Margaret Murphy, Nora Cunningham, and the narrator was Mrs. Greta Logie. The music was provided by Mrs. Mary Maher.

Special guest from out-of-town was Mrs. Frank Mahoney, of Beaver Falls.

The committee in charge, who have worked hard to make the dinner-program successful included Mrs. Stenger, chairman, Mrs. Eva Nelson, Mrs. Cecil Suber, Mrs. Fred Flynn, Mrs. Josephine Baldauf, Mrs. Opal Hart, Mrs. Eugene Buckley, Mrs. Joseph Carrigan, Mrs. James Cypher and Mrs. Anna B. Hagan.

Loyal Leaders class of the First Christian church will have a tureen dinner in the church dining room Friday evening at six o'clock with families as guests.

CPA Lets Necklines Drop, But Vetoes Fuller Skirts

WASHINGTON, May 16.—(INS)—The Civilian Production Administration doesn't care how bare your bosom is as long as your skirt does not contain too much material.

This was conceded today by CPA Observer Deering Davis who attended the showing of the first complete collection of Paris gowns to reach the United States since before the war.

The showing featured daytime and evening necklines which—instead of plunging—crept up from the hemline gradually until they reached the waist and stayed there.

At the end of the showing, witnessed by 800 young and middle-aged women, Davis remarked:

Leave Out All You Want To—What they leave out of the American adaptations of these French gowns is their own business. What they put into them is our business and they are violating our regulation with some of them.

Why, the American adaptations have longer skirts, fuller skirts and more detail than the French models. The French were apparently trying to behave themselves and outside of a surplus of draped material their fashions are acceptable.

The showing featured 38 models of such distinguished designers as Schiaparelli, Patou, Mad Carpentier, Lanvin, Balenciaga and Alex Gres.

Newcomers Steal Scene

The spotlight was stolen, however, by comparative newcomers who

brought lush and exciting gowns to the capital audience. Jacques Fath and Jacques Costet particularly brought cheers for their original designs.

The skirts got scant attention from the audience, however, because its eyes were riveted on the necklines—or lack of them.

At one point the commentator remarked that he believed American husbands were too prudish to allow their wives to wear the neckless lines.

Amen.

Big Mort Cooper Will Wed Today

BOSTON, May 16.—(INS)—Mort Cooper, big right-handed pitcher of the Boston Braves has a couple of items of unfinished business to take care of today.

The first—and most important—is his marriage this afternoon to Miss Dee Smallwood, Springfield, Mo. They were to have been married last night but his bride was weary from her trip to Boston.

The other is the little matter of pitching the Braves to a victory over the St. Louis Cardinals as a wedding gift for his bride.

Braves' Manager Billy Southworth is best man, and two other former St. Louis players, Johnny Hopp and Ray Sanders are ushers.

Noisy Inaugural Of Japanese Diet

First Session Of Diet Elected Under Democratic Sponsorship Has Much Wrangling

TOKYO, May 16.—(INS)—Japan's first diet elected under democratic sponsorship today held a noisy inaugural session.

While diet members wrangled and shouted in the meeting hall nearly 5,000 railroad workers demonstrated outside the building.

Aged Yukio Ozaki, a veteran of innumerable diet sessions, made the opening speech and advised quick action to meet Japan's political

problems and end political bickering.

Ozaki told the diet members to practice democracy but not to indulge in mass demonstrations.

Presence of women as diet members for the first time in Japan's history apparently had little effect on the men. Most of the few women wore kimonos while others were clad in pajama-like "mompel" with some in western tailored suits.

Spokesmen for each political party left the floor of the diet to address the crowd of railroad workers.

A Communist spokesman told the group that many diet members should be disqualified while a Liberal warned the workers that their demonstration was "suspicious" because it was so well organized.

As to cats, a schoolteacher reports that she told a youngster to write a short essay on cats, and this is what she got:

"Cats and people are funny animals. Cats have four paws but only one ma. People have forefathers but only one mother. When a cat smells a rat he gets excited, so do people. Cats carry tails, and a lot

of people carry tales, too. All cats have fur coats. Some people have fur coats and the ones who don't have fur coats say catty things about the ones who do have them."

Pressure cookers are now being made that are the last word in safety. The cooker is constructed so that the top will not pop open while there is still pressure inside.

Seniors, Juniors Crown May Queens At Senior High

Shirley Sanfilippo, Janice Martin
Wear Crowns At Ceremony
In High School

Seniors and juniors of the senior high school attended the coronation of the junior and senior queens during a special assembly in the high school auditorium Tuesday morning.

Shirley Sanfilippo received the jeweled crown as the senior queen, with a red velvet robe covering her formal gown. The ceremony took place on the stage, which was decorated with ferns and with white urns of apple blossoms on either side of the throne.

Patsy Stitzinger was the coronation officer presiding at the crowning of the senior queen and the junior queen in turn presided at the coronation of Janice Martin as junior queen.

Ladies Of Court

The senior attendants were Marcia Bolland, Ilona Stevenson, Shirley Wehman, Helen Papazickes, Nancy Bechtel, Valentine Kolunie, Virginia Fassinger, Lois Carroll, Maxine Book and Jackie Kradel. Attendants for the junior queen were Marie Olson, Dolores Cuscino, Dixie Smith, Rose DeGennaro, Evelyn Murphy, Carol Patterson, Marita Baatz, Ann Shewman, Marilyn Mikes and Shirley Urban.

Suzanne Elder was the reader, with Velma Barnard, Eleanor Thomas, Harriet Burke, Dorothy Barge, Christine DeThomas and Dolores Colaluca as pages.

With "Symmetry of Spring" as the theme, the program included songs by the girls' ensemble, an Indian club dance and a sailor dance, and orchestra music by the girls orchestra.

Two Dances Included

Dancers in Indian club number were: Dorothy Jackamo, Shirley Hemphill, Mary Lach and Jacqueline Sines, while those in the sailor's dance were: Pat Haley, Katherine Costello, Katelyne Sherman, Shirley Holler and Jean Ardinko. The girls' ensemble includes Frances Davenport, who was unable to be present.

Kiwanis Club Has Program On Radio

New Castle Kiwanis club observed National Radio Week with a program which was presented by Samuel W. Townsend, manager of station WKST, assisted by Arthur W. Graham of the local station at their luncheon meeting in The Castleton Wednesday.

President Kenneth H. Beck gave a talk in which he paid tribute to the service rendered by radio, following which Mr. Townsend was introduced and he spoke on the work of radio.

Afterwards a program of entertainment was presented, showing how broadcasts are conducted. The entire program was transcribed and will be broadcast this evening.

There will be a meeting of the Young Ladies Sodality of St. Joseph's church Friday evening at 7 o'clock in the basement of the church. Afterwards the group will attend a health program and showing of motion pictures at the Ecclesian club, sponsored by the Lawrence County Tuberculosis society, with Ruth Roth, state nutritionist, and Dr. J. Lumen Popp as speakers.

SPORTSMEN

\$21,000 was collected last fall for hunting licenses issued in this county. What became of it? I am informed that one cock-bird for every ten square miles was released in your county for breeding purposes and less than one rabbit for every square mile.

Is this the fulfillment of the Game Commission's promise for better hunting and recreation for the returning veteran?

If nominated and elected I will consider it one of my duties to investigate this situation and report my findings to the sportsmen of the county, and to assist them in correcting this evil.

WATER LINE BID

Bids for the construction of a water line into the county home were opened Wednesday morning and the bid of Gallagher and O'Hara of Youngstown, O., was found to be low at a total of \$14,850 plus 75 cents per lineal foot for any rock excavation necessary.

Four bidders presented bids and the award will be made on Wednesday, May 22. An agreement with the city is necessary before the lines can be laid through the golf course.

Former Gobs Are Being Enlisted For Reserve Corps

Men Can Enroll For Inactive Duty Under New Plan Announced At Recruiting Station

Announcement was made today through the New Castle Navy Recruiting station of an intensive recruiting campaign to enlist 875,000 V6 USNR-Inactive Duty men with the future possibility of a million or more men being required in the post war Naval Reserve. All ex-members of the U. S. Navy who have been honorably discharged from the naval service are eligible for this program.

The age requirements are 17 years to 35 years of age. Men over 35 years and who served on active duty with U. S. Naval forces during World War II, may also be accepted for enlistments in this program.

There are numerous favorable reasons for becoming a member. Processing and physical examinations are of short duration. One of the many advantages of this program is that men can be enlisted in accordance with present laws are eligible for subsequent promotions during their current enlistments while in the inactive status and time served will continue and add to longevity for pay purposes.

All men interested should call at the local Navy Recruiting station for further information regarding enlistments for the U. S. N. R. V-6 inactive duty program.

Threat Of Hard Coal Strike Now Confronts Nation

NEW YORK, May 16.—(INS)—Threat of a hard coal strike May 21 increased today as the miners pressed a demand for a health and welfare fund similar to the one which has stymied negotiations in the current soft coal controversy. Representatives of John L. Lewis' United Mine Workers and anti-racite mine operators were to hold a sixth negotiations meeting at 2 p. m. with the disputants at logcamps over the miner's accident statistics.

FALSE TEETH

Don't be embarrassed by loose false teeth slipping, dropping or wobbling when you eat, talk or laugh. Just sprinkle a little FASTEETH on your plates. Get FASTEETH at any drug store.

Plan Drive For Simpler Spelling

NEW YORK, May 16.—(INS)—Plans for a concerted drive for simpler spelling—based substantially on phonetics—emerged today from a huddle of nationally-known spelling experts meeting at Columbia University.

Dr. Godfrey Dewey, secretary of the simplified spelling board and the Spelling Reform Association used Lincoln's Gettysburg address to show how the new system might work and give this example:

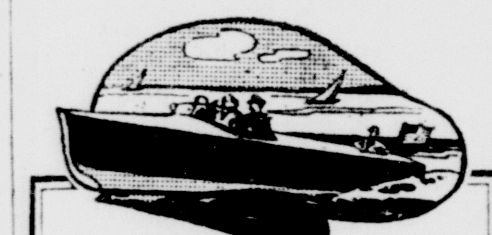

"Forskor and seven yearz ago our the future possibility of a million or more men being required in the post war Naval Reserve. All ex-members of the U. S. Navy who have been honorably discharged from the naval service are eligible for this program."

Training School Opened Tuesday

The Leadership Training school opened its five-session course at the First Baptist church, of this city, Tuesday evening.

Dr. John Orr, instructor of the Old Testament course had for the theme of his lecture "Abraham" Rev. Oliver W. Hurst in the New Testament course, dealt with "John."

For the second session Thursday evening, Dr. Orr will speak on "Moses", and Rev. O. J. Warnath will discuss "Peter".

Illinois Lifts More Power Curbs

CHICAGO, May 16.—(INS)—Restrictions on the use of electricity were relaxed further Wednesday by the Illinois Commerce Commission as it lifted power curbs on "all outdoor recreational activities".

Consumers were warned, however, that if John D. Lewis' coal miners resume their strike after the expiration of the 12-day truce on May 25

or if the railroads are tied up by the strike scheduled for next Saturday, restrictions may be resumed.

Attorney David F. Taber of the Commonwealth Edison Co., disclosed that the company now is receiving more coal daily than it consumes and that its reserves have been rebuilt to the May 1 level.

The White Sox baseball team was given the go-ahead signal on night baseball. Theaters were given permission to use minimum lighting on marquees.

One restriction which remained

was the ban on use of power for advertising, promotion or display signs.

Bakeries Have Cut Production

HARRISBURG, May 16.—(INS)—Albert S. Schmidt, president of the Pennsylvania Bakers Association, estimated today that bakeries had cut their bread production by "at least 10 percent" in the state since

restrictions were placed on wheat distribution.

He predicted the flour shortage may become severe enough within the next month to warrant special grinding for domestic bread supplies.

He added that crop reports on wheat were very optimistic.

According to the 1940 census 1,213 of the 169,027 farms in Pennsylvania were less than three acres in size. The average for all farms was 86.3 acres.

Grocery And Food Warehousemen In Pittsburgh Strike

PITTSBURGH, May 16.—Approximately 300 AFL grocery and food warehousemen in Pittsburgh's four major cold storage plants went on strike today for higher wages. The walkout affected distribution

of most of the city's supplies of fresh vegetables, fresh and canned meats, butter, eggs, lard and some dried foods. Also 60 per cent of the city's ice supply was cut off by the strike.

A spokesman for the industry said there was no danger of food spoilage if key supervisors were allowed to maintain the plants' refrigeration system.

Two similar strikes were called a year ago, one lasting 24 hours and the other two days.

Farewell Given To Two Employees Of Mooney Bros.

J. Harry Campbell And Ray Cook
Honor Guests At Farewell
Reception

Employees of Mooney Brothers bid a pleasant goodbye to two of their colleagues, J. Harry Campbell and Ray Cook, Wednesday night, May 15, when a farewell party was held in Oakhurst. About 150 men and women, employees and their wives attended. Miss Gloria Ludovici was in charge as the general chairman.

A dinner was the first order of the evening with Louis Mooney offering the invocation. Following the dinner, William O. Mooney took charge as toastmaster and introduced the various numbers. Mrs. Marshall Baptiste of Los Angeles, Calif., a former employee, pleased with some vocal selections with Billy Earl at the piano.

Elsie Campbell was heard on the accordion and Mrs. Joseph Sacripant presented a group of vocal solos. A feature of the entertainment program was a duet by Samuel A. and William O. Mooney which was enjoyed, particularly by the artists themselves. William O. Mooney displayed his versatility in directing the pep singing also.

Jack Kuken, speaking for the employees, presented gifts to the two men honored, to which they responded. Samuel A. Mooney, president of the company, made the address of the evening.

Mr. Campbell has been the office manager of the company for four years and has left the company with his wife and daughter. He will leave for Pasadena, Calif., shortly to make his home. Mr. Cook, former yard man, has left the company to engage in business for himself.

It was an enjoyable evening and the regret at parting was tempered with the good fellowship of the party.

Demand Poland Reveal Secret Trade Agreements

WASHINGTON, May 16.—(INS)—The United States today stood committed to the use of the dollar—the world's most stable currency—to establish political and economic stability in a war-torn world.

The tendency has been marked ever since the agreement was reached whereby Great Britain was to obtain a four billion, 400 million dollar credit on the promise of breaking down the empire's preferential trade agreements.

The latest indication of this policy was contained in a news conference declaration of acting Secretary of State Dean Acheson. He said that fifty million dollars worth of surplus property deliveries to Poland will be suspended until Poland had disclosed any special trade arrangements it has made with other powers.

The only "other power" involved was said to be one with the Soviet Union which is reported also to have made preferential trade agreements with Poland and other Baltic states.

The State Department has unavailingly sought to obtain information on a special agreement reported to have been made with Hungary. The Polish dispute stems from the announcement two weeks ago that Poland was to receive a ninety million dollar credit, of which the fifty million dollar delivery of surplus property was to be a part. The agreement, however, was made contingent on Poland's commitment to hold free elections, abolish press censorship and otherwise conform to western ideals of democracy.

Garden Notes

By Lewis C. Dayton,
County Agent

PLANT SWEET CORN IF VEGETABLE LOT IS OF AMPLE SIZE

Sweet corn can be planted from now until the end of June, and because it is one of the most popular of the vegetable garden crops, should be included in all gardens with sufficient space.

Hybrid varieties, which are more uniform in size and appearance and usually have greater vigor and disease resistance, generally are preferred over the old open-pollinated kinds. With maturity dates ranging from 65 to 100 days for the different varieties, several different plantings can be made at the same time to provide an extended harvest, or additional plantings of the same variety will produce a fairly continuous crop.

Sweet corn in gardens may be planted either in rows or in hills, the rows three feet apart. Stalks of the early varieties can be 8 to 10 inches apart, the later and larger varieties, 12 to 14 inches apart. Where hills are used, one method is to have them 2 by 2 feet with 2 stalks per hill, or 3 by 3 feet with 3 stalks per hill.

Just before the corn appears above the ground, small weeds can be destroyed and the crust broken by using a potato weeder or spike harrow. The cultivation must be shallow.

Suancross is widely used as an extra early yellow hybrid, and Marcross and Carmelcross for mid-season. Golden Cross Bantam is a popular late mid-season hybrid, as are Iona and Golden Hybrid, also. Popular open-pollinated varieties include Bantam Evergreen, a yellow, and these whites, Whipple's Early, Early evergreen, Stowell's Evergreen, Country Gentlemen, and Shoepeg.

WALKOUT ENDED
KEARNY, N. J., May 16.—(INS)—A walkout of 6,000 shipyard workers ended today as the result of a one word change in their new contract. The contract, as amended, requires "reasonable" production per worker instead of "maximum" production, as first demanded by the Federal Shipbuilding and Drydock company.

The people of Sweden had the right to depose as well as elect their kings up to the 16th century, as their country was an elective monarchy.

Probe Dynamiting Of Coal Mine And Coal Laden Truck

PITTSBURGH, May 16.—(INS)—Roving bands of pickets closed more Western Pennsylvania bituminous mines today as state police pressed their inquiry into the dynamiting of a coal mine and a coal laden truck.

Despite the activities of pickets, the Solid Fuels Administration reported an increase in production. Francis Y. Casey, western region administrator, said yesterday's output was nearly 200,000 tons in the state.

West Virginia Near Normal
West Virginia reported coal production was near normal. Northern West Virginia miners dug 155,000 tons while the state's southern miners produced nearly an equal amount.

More than 4,600 freight carloads of coal were moved from the state emergency users and marshalling yards.

State police said there were "no developments at this time" on the dynamiting at the Dugan Coal Mining company at Wallacetown, Pa., which wrecked the engine house, damaged a tippie and the hoisting machinery.

A second blast virtually wrecked a truck owned by the same company while it was hauling coal from a strip mine near Oakes Mills. John Byers, of Phillipsburg, the driver, escaped injury.

Shenango Firemen Ask For Support Of Whole Township

Shenango volunteer firemen are asking the support of the entire township if the department is to continue functioning, stated President Walter Waddington in a statement announcing an "open meeting" in the East New Castle fire station Friday evening.

Residents of the township are being asked to attend the meeting and vote on whether or not they will support the volunteers or discontinue the service. The firemen have a new fire house under construction, but find that most of the support comes from a few people in the community, it was stated.

"Unless the whole township backs us up," Mr. Waddington explained, "we cannot really function efficiently."

Some Progress On Anglo-Egyptian Treaty Framing

LONDON, May 16.—(INS)—Reuters reported today from Cairo that Egyptian sources expect the military clauses of the forthcoming Anglo-Egyptian treaty to be completed within 10 days.

Discussions were understood to be revolving about the issue of time allowance for the British troop withdrawal for Egypt. "Highest" British military circles in Cairo denied that they had agreed to evacuate the cities of Cairo and Alexandria by the end of July.

Named President Of Japan Liberals

TOKYO, May 16.—(INS)—Shigeru Yoshida, Japanese foreign minister, accepted the presidency of the Liberal party Wednesday and was picked by observers as the most prominent possibility for the post of premier.

Yoshida said he accepted the presidency of the Liberal party because of the political crisis resulting from General MacArthur's ban on Ichiro Hatoyama, former party president.

Hatoyama was barred from holding political office under terms of the "purge" directive on the very day on which Premier Baron Kijuro Shidehara planned to recommend him to the post of premier.

Shidehara and his cabinet tendered their resignations almost a month ago but have remained in office pending organization of a new government.

The wife of every president of the United States since William Howard Taft has been honorary president of the Girl Scouts during her husband's term of office. She doesn't attain the office automatically. She has to be invited.

Union Hi-Y Club Has Dinner Dance

Seventy Attend Spring Party In

The Castleton Hotel Tuesday Evening

Seventy persons, members of the

Union Township Hi-Y club and

their guests, attended the club's annual

dinner dance at The Castleton hotel

Tuesday evening, with the music

provided by a student orchestra

conducted by Ed Sniezek.

Tables were decorated with lav-

ender and yellow for the turkey

dinner, at which Dick Wallace, pres-

ident of the club, said grace. Mil-

ton A. Pattison, principal of the

high school, gave a short talk on

personality adjustments and Robert

M. Cowher, club advisor, spoke to

the guests.

Following the dinner, the students

danced until 11:30 in the hotel ball-

room. Arrangements for this spring

dinner-dance were made by the en-

tire club, under the leadership of

Mr. Cowher and Dick Wallace.

Teachers attending the dinner

were: Mr. and Mrs. Milton A. Pat-

tison, Miss Elma Robinson, Miss

Erma Paden, Mrs. Elizabeth Wells,

Mr. and Mrs. Patrick Cahill, Mr.

and Mrs. Harold Wilson, and Mr.

and Mrs. Robert Cowher.

Seek Careers In U. S. Marine Corps

Two more county youths have ap-

plied for two-year enlistments in

the U. S. Marine Corps, the recruit-

ing station in the city announced to-

day.

Youths making application were:

Thomas C. Kerr, R. D. 7, Mahoning-

town, and Victor Guarneri, R. D.

2, Volant. The latter has served

in the marines, but was discharged

because he was found to be under

age.

Sgt. Bodnar and Sasse, in charge

of recruiting here, said today that

New Castle led four other cities in

signing new marines during the

week May 6 to 11. Ten new ap-

plicants were accepted through the

local station, while Johnstown and

Wheeling each had six, and Union-

town and Oil City, four.

We read that a lad, wounded in

the Pacific, had his family physi-

cian, now in the navy, tend him in

his illness. This was pretty nice, and

somewhat different from the case of

the growing medico.

"Would you come to me with a

small ailment like this in civil life?"

demanded the medico of the soldier.

"No, sir," the soldier replied.

"What would you do?" persisted the

M. D.

"I'd send for you," the soldier

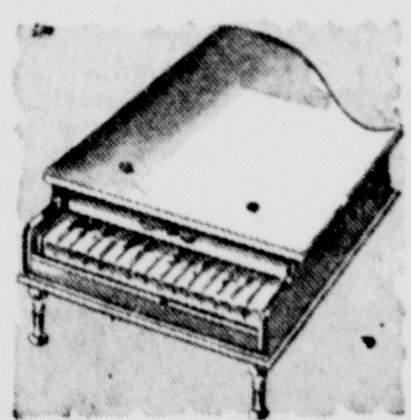

answered.

A Friend Who Learned To Believe

Highlights On The Sunday School Lesson

Thomas the doubter.

"Fear not, only believe."—Mark 5:36.

By NEWMAN CAMPBELL

(The International Uniform Lesson on the above topic for May 19 is John 11:1-16; 20:19-29, the Memory Verse being Mark 5:36, "Fear not, only believe.")

We know very little about the disciple, Thomas. Except for these three episodes told us by John, we would hardly have heard of him, except that he was one of the twelve.

Now Lazarus, and his sisters Mary and Martha, were warm friends of Jesus and their home was in Bethany. Word was brought to Jesus from the sisters that Lazarus was sick. At the time He and His disciples were on the other side of Jordan, and He waited two days and then told His disciples, "Let us go into Judea again."

The disciples tried to dissuade Him, saying, "Master, the Jews of late sought to stone thee; and thou goest thither again?" His answer was rather puzzling, meaning, probably, either that He would not die until His time came, or that He should take the opportunity when it came, by asking them if there were not 12 hours in the day. "If any man walk in the day," he stammered, "because he seeth the light of the world."

Then He said, "Our friend Lazarus sleepeth; but I go, that I may awake him from sleep." Not understanding, the disciples answered, "Lord, if he sleep, he shall do well." Jesus then told them plainly, "Lazarus is dead." He added, "And I am glad for your sakes that I was not here, to the intent ye may believe; nevertheless let us go unto him."

Thomas Would Go With Jesus

Then Thomas, who was called Didymus, a Greek name meaning a twin, said to the rest, "Let us also go, that we may die with Him." Thomas may have accepted and become resigned to the fact that his Lord would probably die in the cause, and he was willing to be with Him and die too. He was a loyal and devoted friend.

This episode, and that succeeding it, of the raising of Lazarus from the dead, not included in our lesson today, took place in January, A. D. 30, and the following April Jesus was crucified.

The next mention of Thomas is after the crucifixion and resurrection of Jesus. The disciples were gathered together in a room with the door closed because they feared their Jewish enemies who had killed Jesus. All were present, that is, except Judas Iscariot, who had betrayed Him and later killed himself, and Thomas.

Suddenly Jesus appeared in their midst and said, "Peace be unto you." This, then, was confirmation of what had been told them, and which they wanted to believe, but hardly dared do so, that Jesus had risen from the dead.

"And when He had so said, He shewed unto them His hands and His side. Then were the disciples glad, when they saw the Lord." Glad seems an understatement, doesn't it, at such a time?

"Then said Jesus to them again, Peace be unto you; as My Father hath sent Me, even so send I you." Then He breathed on them, and said, "Receive ye the Holy Ghost. Whose soever sins ye remit, they are remitted unto them; and whose soever sins ye retain, they are retained."

Thomas Doubts

When the other disciples saw Thomas and told him they had seen the Lord, he said: "Except I shall see in His hands the print of the nails, and put my finger into the print of the nails, and thrust my hand into His side, I will not believe." He probably wanted to believe, but his spirit doubted.

Eight days after this the disciples were again behind closed doors, and Thomas was with them this time. "Then came Jesus, the doors being shut, and stood in the midst, and said, Peace be unto you."

"Then said He to Thomas, Reach hither thy finger, and behold My hands; and reach hither thy hand, and thrust it into My side; and be not faithless, but believing."

"And Thomas answered, and said unto Him, My Lord and my God." How humble, yet how glad and grateful must he have been.

"And Jesus said unto him, Thomas, because thou hast seen Me, thou hast believed; blessed are they that have not seen, and yet have believed."

Blessed indeed are they who cannot see the wonders of the spirit, but have the faith and courage to believe they really exist. "Fear not, only believe," says our Memory Verse.

NEW WORLD RECORD

By Plane At Guam

TOKYO, May 16.—(INS)—The Pacific air command announced that a 20th airforce B-29 had set a new world record at Guam by carrying a payload of 4,400 pounds to a height of 44,200 feet.

This mark, set Monday, bettered the previous record established by a Russian flyer in 1936 by 8,005 feet for a similar load.

The record-breaking Superfort was piloted by Col. E. D. Reynolds of Beaumont, Tex.

The "marathon" project to set new "load to altitude" marks was aimed at improving peacetime efficiency of the B-29s and capturing for the United States a number of world records held by other countries.

A Statement of Facts To the Public

On April 19th President Truman and Clinton P. Anderson, Secretary of Agriculture, announced that, for a period of three months, bakers would be required to limit their production of baked products to 75% of the amount produced during the corresponding months of 1945.

It is a matter of fact that the consumption of bread has increased about 10% this year as compared to a year ago. This is no doubt due to the return of millions of war veterans. Therefore, this reduction represents approximately one third rather than one fourth as the public is led to believe. This circumstance has resulted in a shortage of bread.

We want our customers to know that there is nothing we can do to supply the stores with more Keystone Bread. To be of some help in making bread go further we are slicing all Keystone Bread thinner, so now there are two more slices in each Keystone loaf.

The Keystone Bakery has always conducted its business along ethical lines, we have not indulged in black market operations and certainly we do not intend to do so at this time. We have faith to believe that our customers will respect us for this policy.

Under the existing conditions we feel sure our many friends and customers will remain loyal throughout this emergency, and we hope to enjoy their continued good will and patronage.

Pauley Plans To Enter Korea To Secure Facts

TOKYO, May 16.—(INS)—Ambassador Edwin W. Pauley declared today he intends to "knock at the gate" of Russian-occupied northern Korea if the U. S. government's official request for permission for him to enter has not been answered by Moscow.

The request for permission to enter northern Korea and China north of the 38th parallel was submitted to Russian officials last October. It has not been answered to date.

Pauley, scheduled to leave for Korea tomorrow, said he intends to study Japanese industrial booty removed by the Russians in connection with war reparations claims.

He said removal of reparation materials have not been made in Japan, but China and the Philippines have submitted partial requests.

Pauley explained reparation claims will be based mainly on war damages sustained or budgetary costs of financing the war. China and the Philippines, he said, are ahead on claims for war damages, while the United States is "head and shoulders above other countries" on submitting budgetary costs of waging war.

Pauley did not foresee any peace treaty in the Pacific for at least two years, adding, "we'll be well along on reparations before then."

New Castle Youth Has Notable Record At Ohio Northern

ADA, O., May 16.—Harry I. Thompson, son of Mr. and Mrs. Harry L. Thompson, 224 Northview avenue, New Castle, Pa., is the highest point senior at Ohio Northern university. He is the only member of the 1946 graduating class of Sunday, June 2, to graduate with high distinction. Harry is in the college of engineering. In addition to making this outstanding scholastic record, he has earned his college expenses.

For two years of this time he has daily delivered all of the milk supplied by the Ada Dairy to this village's 3,000 population. In addition he has at various times served as president of the student Sunday school class at the Methodist church, president of the Wesley Fellowship group, treasurer of the Student Eating Co-op and treasurer of the American Society of Civil Engineers. He recently became a member of the Nu Theta Kappa honorary engineering fraternity and is also a member of the American Society of Civil Engineers.

Strikes Not Needed After Shroyer Wins Businessman Has Record Of Industrial Peace

EVERYONE of you—workingman and businessman, as well as innocent bystander—is tired to death of strikes. They mean loss of wages to the worker, loss of profits to the employer, loss of products and services to the general public.

It's not a question of being pro-labor or anti-labor. I am just for industrial peace and against industrial strife. I want a chance to apply, on a State-wide basis, the formula of peaceful labor-industry relations I've worked out in my own business over a 25-year period.

I've learned, firsthand, that there is more profit in good wages than in cheap wages. . . . that collective bargaining really works.

The workingmen of Pennsylvania know that they can trust me. I've worked out contracts with them before. Industrialists know that I'm a successful businessman. I can bring the two of them together. I can get and keep industrial peace in Pennsylvania.

My opponents can't get and can't keep it . . . because you don't get it by refusing to sit down with labor's representatives, by paying "slave wages" by labor-baiting and by killing every decent piece of workingmen's legislation. Their Old Guard philosophy is not only anti-labor—it is anti-industry.

Help me put my labor program into effect . . . and help yourself and your State to industrial peace—and prosperity.

Declares Women Must Get Into 'Driver's Seat'

NEW YORK, May 16.—(INS)—Mrs. Bodil Begtrup, Danish chairman of the U.N. women's commission, thinks there is no place for women as backseat drivers of the world's latest political omnibus.

While the pretty, young feminist wouldn't come right out and say that man has failed to prevent wars, she declared today that "men have had 2,000 years before them to show how good they are as peacemakers—and you can see the result."

"Women," added Mrs. Begtrup, "have got to get into the driver's seat—not the backseat—of political pressure groups."

"Even in the United States where women have everything that women in the rest of the world are fighting for, you have only eight women in Congress."

Look For Leadership
"Women everywhere look to American women for leadership because they are so advanced, yet they are essentially backseat drivers politically. I think they will have to concentrate their efforts in getting into Congress."

The women's bill of rights which Mrs. Begtrup's commission turned in yesterday for inclusion in a world bill of rights to be submitted to the world assembly was a working plan for equalizing women's rights with those of men.

But the daughter of a Danish judge—who learned political reason before nursery rhymes—points out that equal rights are only the first round in the feminist fight.

Women still battle tradition and a certain superior feeling on the part of the male that keeps them out of the driver's seat, Mrs. Begtrup believes.

"Men," she says, "are less inclined to work between meetings. Women are so vitally interested and feel their responsibility so heavily that they work night and day—and they work together."

"Despite what they say about women, none of the members of my commission ever lost her temper, and no one walked out during the discussions."

Giant Blower New Weapon In Battle With Gypsy Moths

WILKES-BARRE, Pa., May 16.—(INS)—The state agriculture department announced today a new high powered weapon has been tested in the fight against gypsy moth infestation in northeastern Pennsylvania.

It was described as a "giant blower capable of creating wind velocity of 150 to 200 miles per hour" and reducing the manpower, time and amount of insecticides needed for spraying trees.

Less than a quart of DDT oil solution was sufficient for protecting one tree when sprayed through the blower, whereas 50 to 75 gallons of insecticide were required when the work was done by five men and a power spray, it was reported.

The experiment was conducted in a 600-square mile infected area near Wilkes-Barre by Federal, Army and state agriculture experts. Secretary of Agriculture Miles Horst estimated the new instrument, as a supplement to spraying from airplanes, could aid the eradication of the gypsy moths from the state within 10 years. The blower is mounted on a truck and used along highways, he explained.

"Its efficiency will hasten the day when we will be free from this pest which already has cost more than \$6,000,000 to fight in Pennsylvania," he declared.

Ten thousand acres of a 28,000-acre forest tract have been treated this year in contrast with 5000 acres during 1945, Horst said. An additional 900 acres of shrubbery in towns and on farms had been sprayed, he added.

New Yorkers Face Wheatless Dinners

NEW YORK, May 16.—(INS)—Hotels and restaurants were placed on the spot today by Mayor William O'Dwyer's proclamation calling for three wheatless meals a week.

O'Dwyer asked that all New Yorkers omit bread, cakes, pastries and other cereal consuming foods from the evening meal on Tuesday's, Wednesday's and Thursday's.

Restaurant men failed to obey the request pointing out that it conflicted with OPA regulations saying bread or a substitute must be served customers or the price of the meal must be reduced.

The OPA later ruled the restaurants could serve corn muffins, potato bread or corn sticks as a substitute but there is a terrific shortage of cornmeal and potato flour.

No one is sure exactly what causes all types of baldness, but some types seem to be hereditary.

BACKACHE, LEG PAINS MAY BE DANGER SIGN Of Tired Kidneys

If backache and leg pains are making you miserable, don't just complain and do nothing about them. Nature may be warning you that your kidneys need attention.

The kidneys are Nature's chief way of taking excess acids and poisonous waste out of the blood. They help most people pass about 3 pints a day.

If 15 miles of kidney tubes and filters don't "work" well, poisonous waste matter stays in the blood. These poisons may start nagging backaches, rheumatic pains, leg pains, loss of pep and energy, getting up nights, swelling, puffiness under the eyes, headaches and dizziness. Frequent or scanty urination, new thirst, tingling and sometimes show there is something wrong with your kidneys or bladder. Don't wait! Ask your doctor for Doan's Pills, a stimulant diuretic, used successfully by millions, or over 40 years. Doan's gives happy relief and will help the 15 miles of kidney tubes flush out poisonous waste from the blood. Get Doan's Pills.

College Cracks Down On Student 'Cutting'

NEW WILMINGTON, May 16.—Westminster college students will attend classes under a new cut policy next September, according to Dr. John R. Spicer, college dean.

The new system has been passed by faculty members.

Students will be permitted two cuts per semester hour without any loss of credit but for each cut in excess of the maximum one semester hour of credit will be lost. There will be no excused absences except

when a student is regularly engaged in a college activity such as practice teaching, athletic or choir trips. A student who is late or leaves early twice will be charged with one absence. Cutting class immediately before or after a regular college recess will count as half

the total number of absences permitted in each class. Penalty for overcutting will be invoked automatically unless the student petitions in writing for special consideration when chronic or extended illness or other unavoidable circumstances have

caused excess cuts. The petition will be considered by a committee of either the dean of men or women, dean of the college and instructors involved.

Expect Each Individual To Give Some Food

County Can Raise 85,000 Tins Of Food In Drive If Every Person Contributes

Residents of New Castle and Lawrence county are reminded again of the urgent need in the contribution of food and money for the starving nations of Europe and Asia.

As you do your daily shopping about the city, purchase a can of food for the Emergency Food Collection. Your grocer can give you valuable suggestions in the proper selection of the right foods.

Remember all the foods donated to the drive must be in tins. Most needed are such items as fish, meat, milk, vegetables, fruits and baby foods.

Campaign officials have set the goal in the county as a gift can from each and every one of us—a grand total of some 85,000 cans of food. Besides this, the collection needs cash donations. Make out checks to Emergency Food Collection and mail them to Richard E. Rentz, The News Company, North Mercer street. Mr. Rentz is acting as the fund chairman during the drive.

The most convenient way for you to contribute to this drive is to drop your tins of food in receptacles placed in all the grocery stores about the city. Other collections will be handled through the fire stations, schools and churches. If you so desire you may bring your food to the headquarters itself, 2 West Washington street.

It is hoped to close the drive in the county on or about June 1. Help those less fortunate than yourself. Give, so that others may live.

Metals Society In Final Meeting

Friday evening, May 17, at the Poland country club, the Mahoning Valley chapter of the American Society for Metals will enjoy their final meeting of the year.

Block Move For Congress Pensions

House Committee Blocks By Vote Move To Grant \$10,000 Pensions To 10-Year Congressmen

WASHINGTON, May 16.—(INS)—The house appropriations committee blocked a secret move in the house to give a \$10,000 sum to "retiring" congressmen who have served more than ten years in the house.

Funds for the purpose were secretly written into the legislative appropriation bill by a subcommittee of the appropriations committee, but were knocked out by a three-to-one vote of the full 45-man group.

With the house still smarting under the "pensions for congressmen" drive of several years ago which brought national ridicule down around members' heads, the appropriations committee decisively defeated this latest effort to provide retirement pay for members of the house.

The bill does, however, contain more than a million dollars to continue the \$2,500 "expense allowance" for members of the house which was voted last year.

The appropriations committee went to extreme lengths to keep its action on "retirement pay" from becoming public. They went to the unusual length of keeping copies of the bill and reports on the bill out of the hands of newsmen at the capitol.

Despite these efforts, however, the committee action "leaked" to reporters.

Manifesto Requests Manchurian Action

NEW YORK, May 16.—(INS)—A "manifesto" signed by 62 American leaders and released today calls for restoration of Chinese rule over Manchuria, revision of the Yalta agreements and re-establishment of the U. S. "Open Door" trade policy.

Asserting that Manchuria has been subjected to "the most scientific looting in history," the manifesto declares: "The arming of the Chinese Communists and the looting of industrial equipment are obvious, direct violations of the Yalta agreement."

Signers include former Adm. Harry H. Yarnell, AFL President William Green, Reps. Clare Boothe Luce and Walter H. Judd, Max Eastman and former Pennsylvania Governor George H. Earle.

TRACTOR ACCIDENTS CAN BE PREVENTED

Before starting the tractor see that the gear-shift lever is in neutral, and when cranking it, place the thumb and fingers on the same side of the crank.

Too often, needless accidents sabotage the savings and pleasure that tractors bring to farming. The cause of tractor accidents usually is thoughtlessness, carelessness, or misuse.

Drive the tractor carefully, avoid

excess speed, and reduce speed in turning, or on hillsides, rough ground or highways.

Also, engage clutch gently, especially on hard pulls; brake wheels equally to reduce speed or stop; keep power line shielding in place and stop power take-off before dis-

mounting from tractor; never allow extra riders on tractor.

Avoid refueling or other service work while tractor is running or extremely hot; do not operate tractor in closed building or where exhaust will contact flammable material.

Stay on seat while tractor is in motion, never dismount until it stops, and keep it in gear down steep grades; keep tractor platform, pedals, foot rests and steps free from dirt, grease, trash, or other hazards. Keep it in good mechanical condition. Check brakes, clutch, lights, fuel line, and control mechanism frequently. Avoid wearing loose, sloppy clothing while operating tractor, and use lights for night operation. Use wide wheel treads whenever possible.

THE RECORD OF LOUIS E. GRAHAM IN CONGRESS

"Men should be sent to Congress because they can be of service; and having proved that they are of service, wisdom dictates that they should be kept there so long as they continue to be of service; and it may be confidently asserted that the value of the services of a man of capacity, character, industry, and good habits increases in exact proportion to his length of service."

—Champ Clark.

The facts set out below are illuminating as to the record of Louis E. Graham, as a Representative from the 25th Pennsylvania District.

VETERANS:

Has assisted in 45 Marine Corps cases; 200 Navy cases; 40 Maritime Commission cases; 110 Veterans Administration cases; and more than 700 War Department cases, or a total of 1100 cases.

Voted for increase of pay of G. I. and emergency housing bill. Am working to retain Deshon as a Veterans Hospital.

WILD LIFE:

Has handled 28 applications for fish to re-stock streams in the district.

Assisted in bringing about transfer from the Federal Government to the Commonwealth of Pennsylvania of the Raccoon Park Area. Holds letter of thanks and commendation for the service from the Beaver County Sportsmen's League.

STATE DEPARTMENT:

Has assisted in 65 State Department cases, passport and visa applications.

BUREAU:

Has cooperated with residents of the district in hundreds of cases before various War Agencies, such as O. P. A., W. P. B. (now Civilian Production Administration); War Assets Corporation, Reconstruction Finance Corporation and others.

RAILROAD RETIREMENTS:

Have assisted in 27 Railroad Retirement Cases.

FARMERS:

Have supplied thousands of Farm Bulletins, Agriculture Yearbooks, and attended to many Grange petitions to the Congress, and requests to the Department of Agriculture, Farm Credit Administration, etc., etc.

SERVICE ACADEMIES:

Have made all appointments to West Point and Annapolis on the basis of open, competitive, qualifying examinations. Hundreds of boys have competed and there has never been a charge of favoritism or unfairness in these appointments.

INFORMATION:

Thousands of government pamphlets, bulletins, documents, hearings, reports, bills and records have been furnished. We secure information for residents of the district on almost every conceivable subject from the Federal Departments, Agencies and the Congressional Library. Much of this requires great work and research.

POSTAL EMPLOYEES:

Have voted for increase in pay to Postal Employees, and have cooperated in extension of Rural Routes and improved mail service in certain communities.

LEGISLATIVE RECORD:

Has one of the finest attendance records in Congress; has never "ducked" or "dodged" a vote. Member of one of the hardest working and most important Committees in Congress.

Comes to work at 6 a. m. every day.

Holds hundreds of letters from constituents who have been generous in their praise and appreciation of services rendered.

Have voted against over 14 Billion Dollars of appropriations and expenditures which I have considered unnecessary and a useless and wasteful expenditure of public funds.

Coalition Move On Price Control Aim In Senate

WASHINGTON, May 16.—(INS)—A Republican move was underway today in the Senate to form a coalition with Democratic members from the west and south on price control legislation.

The step followed in the wake of an 11 to 5 vote by the Senate Banking and Currency committee for a one-year extension of price control, until June 30, 1947, in place of the House proposal for a nine-month continuation. The committee hoped to complete action on the bill next week.

Sen. Wherry (R) Neb., was a central figure in the projected coalition, aimed at lining up Republicans and Democrats from cotton and meat producing states behind a three-point program.

The program, as outlined by Wherry, consisted of the following proposed amendments to the price control act:

1. No prices to be established by the OPA which did not include current costs, plus the historical, traditional percentage markup.
 2. Elimination of all controls on a commodity whenever production equaled that of 1940-41.
 3. An end to subsidies as quickly as possible.
- Wherry termed the historical markup amendment "the most important," and added that if that were rejected he would oppose any continuation of price control.

Seventy Four Year Old Man To Divorce 16 Year Old Bride

HOUSTON, May 16.—(INS)—The marriage of 74-year-old T. W. Sutton, Houston farmer, and a 16-year-old hill country girl, the former Winnie Holden, today was in divorce court.

Sutton announced he has given up attempts to find his missing bride, who ran away two weeks after their marriage last Easter Sunday.

The divorce petition filed in county court by the elderly newlywed set forth that he believes Winnie "left home with another man."

Sutton also charged that Winnie had corresponded with other men since her marriage and had professed "love and affection" for them.

He asked the court to set aside a deed which gave 70 acres of his land to his bride as a wedding present.

HONEST THIEF TO PAY FOR CAR IN \$10 PAYMENTS

BOSTON, May 15.—(INS)—At \$10 a month, it will be well into the 1950's before an honest thief pays back for a stolen car which he sold in Detroit for \$1,000.

Registrar of motor vehicles had an unsigned telegram today from Detroit. The author said he stole a car in Boston because he needed money for his wife and three children. He promised to pay the money back at \$10 a month. A letter followed with the first \$10 installment.

But who gets the money? He forgot to mention anything about the owner.

Truck, \$10,000 Burned In Crash

EAST CHICAGO, Ind., May 16.—(INS)—An automobile truck accident in which \$10,000 actually "went up in smoke" was listed Wednesday by East Chicago police.

The money, together with a specially-constructed circus truck, were destroyed by fire after the circus vehicle collided with a gasoline truck.

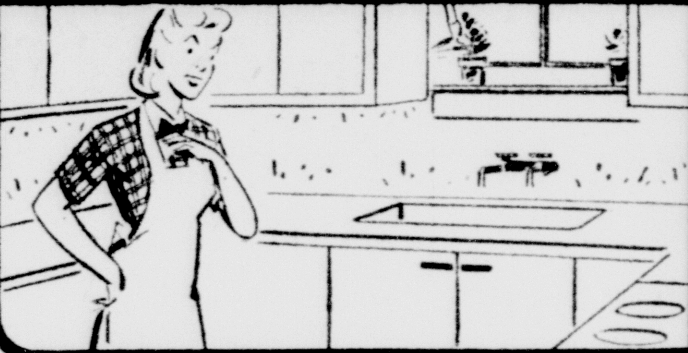

The circus truck—and the \$10,000—were the property of Edmundo Zaccchini, 52, of Tampa, Fla., who invented the "human cannon ball" apparatus aboard for an act in which his daughter Victoria, 23, was featured.

The truck carried a 20-foot cannon used to propel the girl through the air in the father-and-daughter act.

The \$10,000 was the proceeds of their most recent performance. Both Miss Zaccchini and her father escaped injury in the collision and fire.

The deepest place in any ocean of the world is off the Island of Mindanao, in the Philippines group, where a sounding of 35,400 feet was made.

1 cake compressed yeast
1 cup lukewarm water
1/2 cup Per Milk
1 cup boiling water
2 well-beaten eggs
1/2 cup sugar
1 teaspoon salt
1/4 cup melted shortening
4 cups sifted, all-purpose flour

Dissolve yeast in lukewarm water. Mix milk with boiling water; cool to lukewarm. Add to mixture of beaten eggs, sugar, salt and shortening. Stir in dissolved yeast. Add flour gradually, mixing well after each addition. Turn dough onto floured board. Knead until smooth and elastic. Put into greased bowl; cover and let rise until doubled in bulk. Knead again to original size; cover and keep in refrigerator until ready to make rolls. Pull off a teasp. of dough at a time, roll into a ball and put 3 in each of desired number of greased 2-in. muffin tins. Brush tops with Per Milk to glaze. Let rise until doubled in bulk. Bake in hot oven (400° F.) 12 min. or until rolls shrink from sides of pan. Makes 2 dozen.

Cardinals Take Over Leadership In National League

Defeat Brooks As Young Dick Sisler Triples

Cubs Defeat Phils As Redlegs Beat Giants In Night Battle

YANKS RED SOX BOTH DEFEATED

NEW YORK, May 16.—(INS)—Young Dick Sisler, a tall, broad-shouldered chip off the old block called George Sisler, has been having his ups and downs trying to make the major league grade.

Sometimes he has pressed too hard at bat and at other times he has messed up plays at first base as successor to Ray Sanders, sold to the Boston Braves by the St. Louis Cardinals.

Sisler Wins Game

The Cards made it two in a row over the flatbush flock when Whitey Kurovski doubled and Sisler tripled in the second inning for a 1 to 0 decision.

Young Sisler, son of the old time major league star, was not the only hero of the Cards' win. Howie Poullett hurled a five-hitter at the Brooklyn Dodgers, who were trying to break Les Webber in a hurling duel.

Cubs Top Phils

Clyde McCullough hit a home run in the 13th with two on to give the Chicago Cubs a 6 to 4 victory over the Philadelphia Phillies.

The Cincinnati Reds took a night game from the New York Giants, 2 to 1, in 10 innings.

Pittsburgh at Boston was rained out.

Red Sox Lose

In the American League, the Boston Red Sox lost but maintained their 5½ game lead over the New York Yankees who also dropped a decision.

The Red Sox lost to the Chicago White Sox, 3 to 2, on Johnny Rizzo's three-hitter, aided and abetted by Murrell Jones' homer with one on.

Indians Take Two

The Yankees lost to the St. Louis Browns, 8 to 2, the latter being aided by Johnny Berardino's grand slam homer.

Stan Spense hit a three-run homer to help the Washington Senators to a 6 to 3 win over the Detroit Tigers and the Cleveland Indians shutout the hopeless Philadelphia Athletics twice, 3 to 0 and 5 to 0.

Dubber Dollies To Play Friday

Halted by rain last Friday night, the Dubber Dollies lady golfers will play the Castle Hills course tomorrow evening for another round of golf and also enjoy a wicker roast.

It was announced by co-chairladies Naomi Surridge and Jeanie Webster. The ladies will congregate at 5:30 o'clock.

Owing to the rain last week, this will be the second night for turning in qualifying cards. It was announced. The ladies will be paired into teams after three rounds of golf according to plans.

Shenango Golf Loop Deadlocked

The second week of play in the Shenango Pottery Golf league at Castle Hills course saw the low-scoring Haviland and Inca teams forge into a deadlock for the lead, although the scores were higher than on the opening night. Soho, Patch, Cletta and Masterson combined to score 3½ for the Haviland while their China opponents were picking up 1½. The Incas led by Latimer, Sanders, Morgan and Kerr, made the biggest gain as they walked the Shepoco team, 4-1. The Castleton aggregation slipped from first place into a close third just half a point behind the two leaders as they picked up 2½ points through the efforts of Bud Long, Gowan and Knapp. The Zeisel and Shenango teams split their match which was marred by forfeits.

Lawson Medalist

Russ Lawson was the medalist for the night with a 40, followed by Long's 43 and 44½ by Good and Walter Morgan. Low net and a ball were won by Bill Mancino who set his handicap at 20 and then shot a 45 for 25 net! The standings of the teams follow: Haviland 7, Inca 7, Castleton 6½, Shenango 5½, Zeisel 5, Shepoco 3½, China 2½, Franklin 2.

SOFTBALL LEAGUE GAMES WEDNESDAY

Dukes, Sons Of Italy, Spencers, Forest A. C. Returned Winners

Four game were played in the City-Industrial Softball league last night.

Dukes Win First One

The Duca D'Abuzzi team scored its first win by defeating the Vets of Foreign Wars at Lehigh 9 to 6 behind the six hit hurling of J. Latess. Homers were hit by Moraldi and Glover for the winners.

Sons of Italy Win

Sons of Italy posted out the Universal Pottery in a slugfest at Centennial field, 13 to 12, with 34 hits being hung up. Camp was given credit for the victory after relieving Augustine in the eighth inning. Heavy hitting was done by Scungio, S. Copple, DiMuccio, Strausbaugh and Turk.

HERE AND THERE IN SPORTS' LAND

PETE GRAY, one-armed baseball player who was with the St. Louis Browns last season but farmed to the Toledo Mudhens, is not the only athletic-inclined member of the Gray family. Indeed not. There is another, he being Joe of 203 Phillips street, Nanticoke, who devotes his athletic talent to pugilism, professionally, too. Although Here and There does not know either Pete nor Joe he does know Nanticoke. It was the birthplace of not only some very good football players, likewise, fighters, and ball players years ago. No doubt, Nanticoke yet holds the reputation. In fact, Here and There in his younger days covered sport events at Nanticoke for an eastern newspaper. Just to give Joe a plug in the hope that some enterprising promoter will see it, permit it to be said that Joe says: "I'll fight anybody at 155-160. If you can get me a fight I'll give you a story about myself and Pete that you will be able to print in your paper."

Lawrence County Coon and Fox Hunters Association held their annual Spring Field trials Saturday but the information did not reach The News until too late for publication Tuesday. Last contract signed by the late James J. Johnston was that for Archie Moore who will box Ezzard Charles of Cincinnati at Pittsburgh, next Monday. Archie is rated as the number one lightweight according to the National Boxing Association and The Ring. Some local fans are preparing to attend the professional show. Joe Chitwood of Reading, eastern states speed champion of 1939-41, inclusive, who raced at the fair grounds here years ago has sent in his entry for the big car auto races at the Reading fair grounds May 26. According to reports he is the current leader in the 1946 championship point standings just released by the contest board of the American Automobile Association. He has 124 points to Ted Horn's 114.

Carmen Clemens, Beaver Valley Country club pro, scored a hole-in-one, the second of the season in the Beaver Valley. Pittsburgh Steelers, a football organization makes have while the sun shines, having signed Johnny Podesta former St. Mary's College passing star, Eddie Murphy, Holy Cross end, also has signed with the Steelers. Paris Ganey reports that Joe (Zimba) Izzo is cutting down his avoidoids. He scored a key in his only bout here, Joe is a brother of Nick who made a good record while boxing in the South Pacific.

Burry Returning To Westminster College In Coaching Capacity

Lt. Harold Burry Will Coach Soccer, Swimming, Cross-Country And Track

NEW WILMINGTON, May 16.—Lt. (s. g.) Harold Burry, of New Castle, has been appointed to the physical education department at Westminster college as coach of soccer, swimming, cross-country, and track. His duties will begin next September.

Lt. Burry is on terminal leave from the navy. He served two years as an athletic officer. He was a physical education instructor at Westminster in 1943-44 for the Army ASTP and Navy cadet programs.

Burry graduated from Westminster in 1935. While in college he was an outstanding athlete in football, track and cross-country.

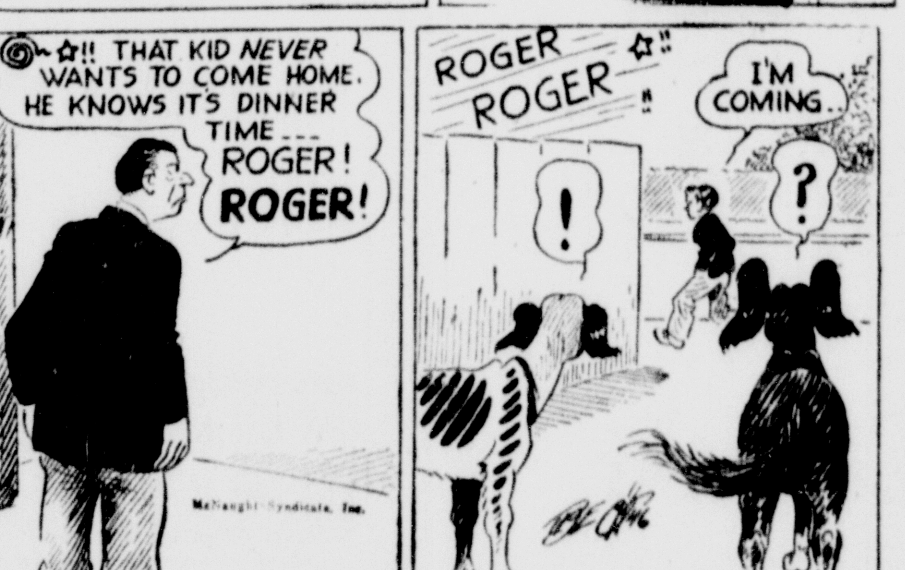

City Leaguers Battle To Tie

West Pittsburgh "Gas House Gang" came from behind in the seventh inning last night in a postponed game at West Pittsburgh and tied the Columbus club 9-9 in a game called by darkness.

The game will be replayed at a later date, it was announced.

Johnny Zilka To Box Henry Owens

Eight Amateur Boxing Bouts Of Three Rounds Duration Each Arranged For Arena

Johnny Zilka, Aliquippa and Henry Owens, Youngstown, both of whom have boxed here, will battle in the main three round bout of an amateur show in The Arena, Monday night. They are middleweights. Zilka, 150, is a former champion while Owens was champion of Wolf here.

Ray Prebis, Butler, who was stopped by Chuck Gibbons and who won a decision over Buzz Barringer, will take on Billy Parker of Monaca, at 140 and Tommy Burns of Johnston will swap punches with Al Wankowicz, Monaca, at 150.

Tony Fair, Youngstown, who has also appeared here but who was decided by Chuck Leyte, hopes to "come-back" against Joe Russell, Youngstown, at 150.

Mike Gurak, Niles, who defeated Nick Cupac, will box Jerry Curry, Monaca, at 150 and Clyde Wagner, who lost an award to Billy Myers, will take on Joe Bosco, Butler, at 135.

Don George, Johnstown, and Sam Centefanti, Lovellville, heavyweights, will appear in one of the eight bouts, limited to three rounds.

Edenburg Loses Fourth Straight

Castledale hammered Edenburg's Tigers further into the cellar of the County league by blasting them 13-4 last night at the Castledale field. It was the fourth straight loss for the Leeper-managed side.

Whitey Henderson was holding the Tigers to four hits, his teammates went to work on Pete Chiero and J. Susany for 13 safe blows scoring in every frame but the last. Biggest Castledale inning was the sixth when half a dozen runs trooped across the platter.

Ed Perdue slashed out four singles for the winners, and Dick Newton solved Edenburg pitching for four blox, also two of them doubles. Chiero was chalked with the defeat, his first of the year.

Score by innings:
Edenburg... 0 0 0 0 1 3—4
Castledale... 1 1 1 3 6 0—13
Two-base hits: D. Newton 2, three-base hits: Leeper, bases on balls: Susany 4, Henderson 4, strike-outs: Chiero 4, Susany 2, Henderson 9, winning pitcher: Henderson, losing pitcher: Chiero, umpires: Hill, Smolnick.

Penn State's 1946 National AAU flying rings champion, Bill Bonnell of Philadelphia, knows something about war. Imprisoned for more than six months, he fled a German prison camp shortly before the Russians reached Berlin.

Penwell Hurls One-Hit Shutout

ELLWOOD CITY, May 16.—Penwell of Hillsville came within a whisker of a perfectly pitched ball game last night as he set down the Ellwood Vets with one hit to win, 6 to 0.

Except for Jack McClintock's single, the Hillsville moundman would have had a no-hit game. Jim McCready of the Vets also did some classy twirling, allowing the Pepe team but six blows but his mates over a sieve in the field, committing ten errors.

A hit and two errors produced three rallies in the first and in the sixth three safeties and as many miscues doubled the count for the Hillsville team.

Speed Stars Head For Canfield, Ohio

More than 25 big time midwest auto race drivers, including one Indianapolis Speedway star, will take part in Saturday's inaugural speed classic which will be held at the Canfield fairgrounds with eight roaring racing events.

The midwest auto races here will be run on the quarter mile track in front of the grandstand and will be featured by the presence of Johnny Wohlfelt, Pontiac, Mich.—Ohio State champion in 1941 and 1945 and his teammate Wild Bill Boyd of Steubenville, Ohio, who will fly here direct from the Indianapolis Speedway trials.

Wampum's hot Legion team was cooled off last night as they suffered their first defeat of the County League season, 5-1, to New Galilee.

Bobby Clerici pitched masterfully for the Hot Tops, while Chuck Harper toed the rubber for the Legion and was marked with the defeat.

United Engineering Leads Golf League

Victory Over Ellwood City Moose Places Them Half Point Ahead Of Croton Players

United Engineering and Foundry golfers took a slight lead over the Duca D'Abuzzi team in the Sylvan Heights Golf League Wednesday evening at Sylvan Heights, when they defeated Ellwood City Moose, 3½ to 2½, while Duca D'Abuzzi lost to Sons of Italy, 4 to 2.

Because of the fact that Ellwood City Elks were unable to present a full team last evening, they withdrew from the league, and the points won by Sons of Italy last week were cancelled. Sons of Italy being assigned a bye as were Vernors for last night's matches.

Ted Lach was again the hottest golfer on the course, with a one-under par round of 35. Timmy Lombardo, and Marty Segedi had 37s; Harry Toscano, Frank DeMauro, Frank Lasso had 38s; and Joe Mazzare and Cimmi had 39s.

In the other matches played last night, Standard Steel Springs outscored Universal Sanitary Manufacturing 3½ to 2½, and New Castle Moose nozed out Johnson Bronze 3½ to 2½.

The standing of the league to date is as follows:

United Engineering 7½
Duca D'Abuzzi 7
Ellwood City Moose 6
Johnson Bronze 6
New Castle Moose 6
Standard Steel Springs 6
Universal Sanitary Mfg. 4½
Sons of Italy 4
Vernors 1

Art Mittler, chairman of the Ecclesian Club Duckpin league announced today that the bowlers will have their annual banquet Sunday May 19th at the club rooms at 6 o'clock.

A fine speaking program has been arranged, Mittler stated. The Ecclesian bowlers only recently closed a most successful season on the hardwood alleys, at the club.

Civics Wallop East Brook, 21-7

In a game that ended with a score like a football game, the Union Civics walloped the East Brook club in the North County league opener for both teams Tuesday night 21-7.

The Civics tore the hide off the pellet as they blasted pitchers Doyle, Kildoo and Reynolds of the East Brook outfit for 22 hits. B. Eve, G. Eve, O'Rourke and Annarella did the heavy clubbing for the Union nine. O'Rourke bashed out four safeties, one a round-tripper in the third with one man aboard. G. Eve also got a quartet of blows, one a thumping triple.

Jack Barber and Herb Krueger did some steady twirling for the Civics, keeping the East Brook threat subdued after the third frame. They allowed nine hits.

Score by innings: R. H. Union Civics 433 910 0-21 22
East Brook 130 012 0-7 9

Batteries: Union—Barber, Krueger and Montabon and Ames. East Brook—Doyle, Kildoo, Reynolds and Doyle.

Columbus Society Developing Sports

Christopher Columbus society of the seventh ward is branching out in sport, the older members having laid a foundation in the solid organization which gives some of the younger members an opportunity to develop athletic ability. One of them behind the movement is Chairman Joe Conti. The trustees are Joe Zumpella, C. Santile, W. Domicio, Joe Frigione and Tony Adamo, the latter well remembered as an amateur boxer. Frigione manages the ball club and Willie Domicio will handle the basketball affairs this fall.

Len Gilbert, manager of the West Side Tigers in the City baseball league, has released seven of his players he announced today. The men released follow: Herb Krueger, William Eve, William Dewberry, Alexander "Cab" Mrozek, Bob Bechtel, William "Ski" Hughes, Frank Dewberry.

New Tactics Used By U.S. Carriers

Fleet Is Spread Out So As
Not To Be Complete Tar-
get For A-Bombs

ABOARD CARRIER ROOSEVELT
OFF PUERTO RICO, May 16.—
(INS)—Admiral Marc A. Mitscher's
8th Fleet is spread out for its air
strike in such a way that no 1946
model atomic bomb could get more
than one capital ship.

Two and a half miles of water
separate the carriers giving them
more room in which to maneuver.

Commodore Raleigh A. Burke, of
Boulder, Colo., fleet chief of staff
said that atomic defenses played
only a minor part in the determina-
tion to widen the carrier's elbow
room. He said the important con-
sideration was to give them more
space in which to circle. He added
that increased firepower helped to
make this postwar feature possible.
During the Pacific war the car-
riers sometimes were only a mile
apart.

Not Enough Destroyers
Burke, hero of the navy's Pacific
"Little Beaver" destroyer squadron
admitted there wasn't enough des-
troyers in the present fleet to pro-
vide an adequate screen for such
wide deployment under actual fight-
ing conditions. Just now he said
the navy is short of destroyers be-
cause so many are being scrapped,
put in the reserve, or requested for
training purposes.

The 8th Fleet has nine destroyers.
Each of the five Pacific wartime task
forces had 24. The 8th has one bat-
tleship and two cruisers. The war-
time forces each had a support of
eight battleships and cruisers.

Today the planes of the carriers
are hammering an imaginary enemy
on Culebra island, Puerto Rico. The
three day air strike will use rockets,
bombs and strafing tactics to soften
up the beach for a brigade of ma-
rines to go ashore Saturday. A
total of 276 planes is being used
today.

Although the theoretical D-Day of
the air strike is Friday, the actual
landing will be on the Puerto Rican
mainland near Mexico Nundo, Sat-
urday. The navy will provide air
cover and drop supplies.

California fruit growers have re-
sumed shipment of fresh citrus fruit
to the Orient and Scandinavia.

Geneva Crowns Queen Of The May

Shown above in the traditional
Gold and White coronation robe,
Elizabeth M. "Libby" Gissel, senior
chemistry major from Rochester,
was crowned last night as Geneva
college's Queen of the May.

The annual ceremonies were held
in Reeves stadium, Beaver Falls.

Following the "May Fantasy" a
reception was held for the Queen
and her court which included Betty
Kreit, Fayette City, maid of honor;
Jane Dadds, Beaver Falls, septe-
mber; Marilyn Sohn, Beaver; Ruth
Montgomery, Brentwood; Mary Carr,
Ellwood City; Jean Allen, Shirley
Headland and Edith Lutton, Beaver
Falls.

T. D. CLUB

Members of the T. D. club met
at the home of Mrs. George Craven,
of Highland Heights, Friday evening
for a Mother's Day party.

A social time was enjoyed, which
included games and music. Each
mother was presented with flowers
and an apron, which she was sup-
posed to model during the evening.
A very delicious lunch was served
around nicely arranged tables by
the hostess, Mrs. George Craven
and her aides.

Committee for the function in-
cluded: Mrs. Robert Barron, Mrs.
Howard Carr and Mrs. Edgar Nel-
son.

RICH HILL NOTES

REVOKES BAN

SPRINGFIELD, Mo.—Dr. Roy El-
lis, president of Southwest Missouri
Teachers college, told a school board
conference he knew how former
servicemen felt about the no-smok-
ing man involved on the campus
Ellis, a veteran of World War I, re-
voked the ban.
